---	---------------------

Sir:

We, Yasunori Muramatsu and Tetsuo Tateishi, as inventors named in the application for letters patent for an improvement in, **A CHARGE PUMP TYPE DC/DC CONVERTER, Serial No. 10/763,292**, filed in the United States Patent and Trademark Office on or about the **23rd day of January, 2004**, declare that we have reviewed and understand the subject matter of the following amendment(s):

Amendment 1.111 filed July 6, 2005

that said subject matter, including the claims as amended, was part of our invention, and was invented before the filing of the original application, above identified, for such invention; and that we acknowledge our duty to disclose information of which we are aware which is material to the patentability of this application in accordance with Title 37, Code of Federal Regulations, §1.56.

Serial No. 10/763,292
